-- **LA Cares Collection:** Don't forget we're **collecting food donations** for **LA Cares** at Rotary this Tuesday. Please bring **non-perishable food items** for those in need or consider bringing a **check** made to LA Care

-- **Canned chicken and tuna, breakfast cereals, peanut butter, rice and beans, and hearty soups** are always in great demand. -- *Also*, if you have **extra paper grocery bags**, please bring them for LA Cares as well.

-- **It's Official:** From RI, "**Rotary International President-elect Ian H.S. Riseley** made the case on Monday that **protecting the environment and curbing climate change** are essential to Rotary's goal of sustainable service. Riseley, a member of the **Rotary Club of Sandringham, Victoria, Australia**, unveiled the

ROTARY: MAKING A DIFFERENCE

2017-18 presidential theme, **Rotary: Making a Difference**, to incoming district governors at Rotary's International Assembly in San Diego, California, USA.

Environmental degradation and global climate change are serious threats to everyone, Riseley said. "They are having a disproportionate impact on those who are most vulnerable, those

to whom Rotary has the greatest responsibility.

Yet environmental issues rarely register on the Rotary agenda," he said. Environmental degradation is one of the major threats listed by the UN's High-level Panel on Threats, Challenges, and Change. Riseley added, "The time is long past when environmental sustainability can be dismissed as not Rotary's concern. It is, and must be, everyone's concern."

The president-elect challenged every Rotary club to **make a difference by planting a tree for each of its members between the start of the Rotary year on 1 July and Earth Day on 22 April 2018**. Trees remove carbon dioxide and other greenhouse gases from the

air, which slows global warming. "It is my hope that the result of that effort will be far greater than the environmental benefit that those 1.2 million new trees will bring," Riseley said. "I believe the greater result will be a Rotary that recognizes our responsibility not only to the people on our planet, but to the planet itself."

In his address to the 2017-18 class of district governors, Riseley also urged clubs to **improve their gender balance** and **lower the average age of their members**. Only 22 percent of Rotary's members are women, up from 13 percent 10 years ago. At that rate, Riseley said, it will take another three decades for Rotary to achieve gender parity. We know that we can do more together than we

could ever hope to do alone. "Three decades is far too long to wait to achieve a Rotary that reflects the world in which we live. We need to make it a priority now," he said. Noting that 103 of the 539 incoming governors are women, Riseley said they are the type of women we need in Rotary, "leaders who will help Rotary connect with, and represent, and better serve, all of the members of all our communities." -- Riseley also believes it is imperative that clubs **find ways to attract and engage younger members**. Today only 5 percent of reported members are under 40, and a majority of members are over 60, Riseley told the audience. "Consider what Rotary stands to look like 10 or 20 years from now if we don't get very serious, very soon, about bringing in younger members," Riseley said. Clubs will make a difference this year through their own decisions, said Riseley, but it **will take teamwork on a global scale** to move Rotary forward and secure its future. "We know that we can do more together than we could ever hope to do alone," he told incoming governors. "I ask you to keep that spirit of teamwork and cooperation always in your minds and to take it back with you to your districts."

-- Let's Play Ball!: Membership chair Skip King writes, "On **January 3rd**, we will officially kick off our **2nd Annual Let's Play Ball Membership Campaign**. -- Since last June we have **lost 15 members** for various reasons. Our meetings have been lightly attended. Between now and January 3rd think about individuals you would like **to invite to Rotary**.

-- Obituary for Former Club Member Tarlochan Bhatia

From the LA Monitor: "With deep sorrow in their hearts, the family of Tarlochan S. Bhatia announce his sudden and untimely death on November 10. Tarlochan was a longtime resident of Los Alamos. He worked at LAMPF where he did many experiments using beams of neutrons and protons scattering off of a variety of materials to learn about their structure at the subatomic level. He made contributions to more than 80 publications during his years at LAMPF. Tarlochan loved the outdoors and with his family spent memorable times hiking in the Jemez and Pecos wilderness. He became an avid bridge player and was active in the bridge club of Los Alamos. After retiring he and his wife Malti moved to Oakland, to be close to his daughter Suruchi and her family. He is missed by his wife of 48 years, Malti, daughter Suruchi and son-in-law Robert, son Karan (Toby) and daughter-in-law Kusum and granddaughters Sonali, Sandhya, Kira and Kashvi. A memorial is being planned in Oakland for later this year." **Notes of sympathy:** 9 Beechwood Dr., Oakland, CA 94618 or www.legacy.com.

This Month's Programs

-- January 3: During the annual **January Club Assembly**, **President Rob** will review the **highlights** of **July-December 2016** and address **goals and plans** for the second half of his year, **January-June 2017**. -- Board members will also speak briefly about their positions and how each serves the Club.

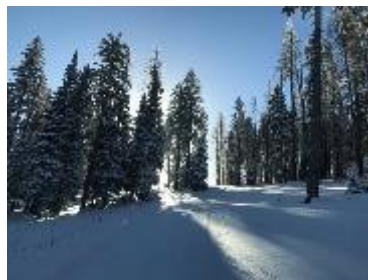

-- January 10: **Siobhan Niklasson, Education Programs Coordinator for PEEC**, our local nature center, will tell us about the **importance of outdoor play** for children. --

We will also present her with a check in the amount of **\$500**, a matching District grant our Club was awarded, for **enhancing PEEC's grounds with shrubs and other plantings**. -- FYI: *Siobhan*, a traditional Irish name, is pronounced as 'Shi-von'.

-- January 17: **Let It Snow, Let It Snow, Let It Snow!** As we prepare for the season's

wintriest weather, **Tom Long, general manager of the Pajarito Ski Hill**, will tell us all about **snow-making**, the procedures and methods used here at our local ski hill, when and why it is needed, and how the system operates and is maintained.

Rotary Friendship Exchange (RFE)

-- From **Donna Pedace, District 5520 Rotary Friendship Exchange (RFE) Coordinator:** I'd like to "alert you that we will be sending a **return group** to visit **western Oregon and northern California** next **August 3-15.** I am **not yet taking reservations** for that trip, but I thought this could give anyone

interested in joining that trip some time to think about it. Their group is coming here this coming spring, but all the hosting clubs are already set. --

We will also be hosting a group from **Australia** from **June 1-4** next year, so maybe you and your club could be thinking about whether you might like to **host that**

group next summer. -- **Early 2018** we'll have another **trip to India**, for those of you who may be interested in seeing some of that fascinating country."

The President's Column: January **Important Developments for Membership**

Our Club has taken a hit in **membership** since I came to office, so to help promote new members and coincide with the up-coming **Let's Play Ball membership drive** in the **New Year**, I am proposing to allow **1/2 price for new member dues.** This will **only** be for the second half (**January through June 2017**) of this Rotary year since that is the remaining term of my presidency. However, I am

hoping we can extend this to cover a full membership year and have the policy in place long enough to see if it helps - both in **gaining new members** but even more importantly in **retention**. I hope that I can get the support of the Club for this effort so we can determine if this will provide a benefit.

That was all **serious Club business** so I hope you got through it without falling asleep. I welcome any input if anyone would like to discuss these matters either at the meeting or one-to-one. My contact information is on the Club directory -- which I will also be showing all members how to see online at the next

meeting -- **don't miss it!**

In Rotary,
