With Sympathy: **Lucy Thomas**, the widow of long-time **Rotarian Ed Thomas**, who passed away several years ago, died recently. Mrs. Thomas was **Tony Chan's mother-in-law**.

Resignations: The Board regrets to report that **Kirsten Laskey** and **Mandy Marksteiner** have **resigned** from the Club due to scheduling conflicts at work and home. We are grateful for the volunteer work they did for the Club: **Kirsten** coordinated a **Christmas party** and often took **Club photos**; **Mandy** served as

a **Vocational chair**. -- Returning home from their three-month trip to Alaska, **Petr and Louise Jandacek** found "some serious commitments here at home" and have resigned from the Club with the hope of one day being able to re-activate their memberships. We appreciate their volunteer service, too, especially with the Four-Way Test Essay readings.

-- **Counting Down to Purple Pinky and PolioPlus!**: **Alison Pannell, chairperson for PolioPlus** this year, writes, "Since 1979 Rotary and its committed members have been fighting Polio. Over 30 years and we are not done yet. Since those early days, we have reduced polio cases by a staggering **99% worldwide** and there are only 2 endemic countries left, **Pakistan and Afghanistan**.

However, with the dire conflict situations in these countries, immunization is severely curtailed and outbreaks are now being reported more frequently. -- The war on this worldwide problem is not yet won. Governments around the world are acutely aware of the dangers of Polio, and the **Prime Minister of Australia** just committed \$100 million over 5 years to help eradicate Polio. -- Without Rotary's incredible effort, Polio eradication would not be nearly finished. Other strategic partners have now joined us, such as **UNICEF, the Centers for Disease Control, and the Bill & Melinda Gates Foundation** (that matches \$2 for every \$1 we donate).

So we are very close with just two countries remaining endemic. Therefore, in an effort to raise awareness and encourage participation, our Rotary Club is again asking for your support in a **Purple Pinkie Fundraiser** that is aimed at the students of our community. The impact to our membership is a mere couple of hours of your time for one day to stain contributors' fingers purple, collect the funds, and spread the good word about Rotary.

Essentially, for **every \$1** a student contributes, **Rotarians and friends will paint** that student's fingertip with **Gentian Violet** - a dollar being about the cost to immunize 2 children. **October 24th** is **World Polio Day**, so we will hold the event on that Monday. -- To promote the event, we will distribute a variety of **posters**, and provide some morning **announcements** to all the local schools as the event date nears. And we will use a **permission slip** to educate parents and guardians. -- This is such an important task to prevent Polio from raising its head again. I do hope we can count on you for your support. 'I know there are times when you feel stressed and over-worked, but you should remember what is at the core of what you're doing for Rotary. It is an inspirational thing to think about.' **Tara Pullen, Rotaract Club of Gunargarang, Australia.** -- Members, please mark your calendars: **Monday, October 24!"**

STARS is a group of motivated Los Alamos Rotarians who are determined to fit community and international service into their busy lifestyles, while at the same time having FUN!

-- Polio in Nigeria: From Rotary Weekly (on-line) October 7, 2016

“Nigerian Health Minister Isaac Adewole visited Rotary International World Headquarters in Evanston, Illinois, USA, Friday to discuss Nigeria’s efforts to stem the outbreak of polio. Three cases in the northern state of Borno in August put the country back on the endemic list. Adewole said his country is treating the situation as ‘a national emergency’ and is determined to rid the country of polio again.”

District 5520 and Rotary International News

100th Anniversary of The Rotary Foundation (TRF)

As we begin our **2016-17 Rotary year**, Rotarians around the world are beginning to celebrate the **100th Anniversary of The Rotary Foundation**. The first donation made to TRF was in the amount of **\$26.50**, which is why you will see this figure or multiples of it mentioned in Rotary International literature this year. That amount now equates to more than **\$530.00**. -- RI writes, "At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment 'for the purpose of doing good in the world.' In **1928**, it was renamed **The Rotary Foundation**, and it became a distinct entity within Rotary International. In **1929**, the Foundation made its **first gift of \$500** to the **International Society for Crippled Children**. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals. When **Rotary founder Paul Harris died in 1947**, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation."
