-- Obituary for Former Club Member **Tarlochan Bhatia**

From the LA Monitor: "With deep sorrow in their hearts, the family of Tarlochan S. Bhatia announce his sudden and untimely death on November 10. Tarlochan was a longtime resident of Los Alamos. He worked at LAMPF where he did many experiments using beams of neutrons and protons scattering off of a variety of materials to learn about their structure at the subatomic level. He made contributions to more than 80 publications during his years at LAMPF. Tarlochan loved the outdoors and with his family spent memorable times hiking in the Jemez and Pecos wilderness. He became an avid bridge player and was active in the bridge club of Los Alamos.

STARS is a group of motivated Los Alamos Rotarians who are determined to fit community and international service into their busy lifestyles, while at the same time having FUN!

Rotary Friendship Exchange (RFE)

-- From **Donna Pedace, District 5520 Rotary Friendship Exchange (RFE) Coordinator:** I'd like to "alert you that we will be sending a **return group** to visit **western Oregon and northern California** next **August 3-15**. I am **not yet taking reservations** for that

trip, but I thought this could give anyone interested in joining that trip some time to think about it. Their group is coming here this coming spring, but all the hosting clubs are already set. -- We will also be hosting a group from **Australia** from **June 1-4** next year, so maybe you and your club could be thinking about whether you might like to **host that group** next summer. - **Early 2018** we'll have another **trip to India**, for those of you who may be interested in seeing some of that fascinating country."

The President's Column: February

It's **February** already, football is over, days are getting longer, spring is near. I have to make myself enjoy these last days of winter instead of lamenting its end. Something about growing up in **Arizona** makes me dislike the summer. On the bright side, **Lane**, the 4-year old, can't wait for spring - he can plant his garden again. **Grandma** will have to help him with that.

Last week (**Feb. 2**) our **exchange student Ida and I** went to the annual **South Central Rotary Youth Exchange (SCRYE) conference** in **Tulsa, OK**. The conference is required bi-annually for people running youth exchange programs to meet, train, and provide visas. You may ask why it is Tulsa? - it is centrally located in SCRYE, which spans from **BC Canada to Louisiana**, and it has enough Rotarians to home host the **178 students** brought by the member districts. Lucky for me, as **President Elect (for SCRYE)**, I was in charge of the student program this year. That was a bit of work, but a lot of fun (see photo)...

...and now back to our club we have **Crab Fest** coming soon! As I write this, there is a meeting going on at Skip's house. I am looking forward to our big fundraiser. Not only do I like crab, but I think it is one of our most important events to **raise awareness of Rotary** in our town. **Can't wait!!!**
